

STEELHEART®

## YOUR HEIGHT, YOUR CHOICE

### LOW PROFILE REFRIGERATORS AND FREEZERS

Hoshizaki's **NEW Low Profile Refrigerators and Freezers** are made to slide right under ADA-compliant counters with plenty of room for air circulation to ensure optimal performance.

Perfect to meet ADA compliance while still using existing counters.

Refrigerators feature Hoshizaki's signature air flow movement that circulates cold air top to bottom to surround food with uniform cool temperatures

Refrigerators are insulated with 2" CFC free, foamed in place polyurethane for superior cooling, temperature maintenance and ultimately reduced energy usage

ADA COMPLIANT

Stainless steel exterior and interior for superior durability

*Available in 27", 36", 48", 60" and 72" models*

As anyone who runs a commercial kitchen knows, only the strong survive. Just like our legendary ice makers, we've designed our new Steelheart Series to survive conditions that would send lesser equipment to the scrap yard. **Hoshizaki. Beyond Strong.**
