

CIBOPLUS/B - Lincat CiBO+ High Speed Oven - Black (Red, Green, and Purple Avail. Upon Request).

CiBO+ is the perfect solution for those who want to cook quickly and efficiently

without compromising on quality. Its unique tri-heat technology delivers food that is both fast and consistent, meaning your customers will never have to wait long for a perfect meal.

- 15.6" x 26.2" compact footprint with a generous sized oven that can deliver a 12" pizza.
- No installation required – plug in and cook.
- Unique tri-heat technology combines Microwave, TurboAir, and ContactBase to deliver perfect results every time. Say hello to even coloration and crispiness and goodbye to soggy bottoms!
- Fully customizable QPad touch screen allows you to touch any one of the 40 menu items and the oven will do the rest.
- Utilize non-traditional spaces with ventless technology.

- Antimicrobial protection on handle and touchpad reduces the spread of viruses.
- Comfortable, ergonomic handle built to withstand heavy use.
- Easy to clean, 430 series stainless steel exterior with a fully welded, 304 series stainless steel interior.

SPECIFICATIONS
