Choose the Infinite Series for infinite possibilities

Transform your kitchen with customizable cooking solutions that grow with your business needs.

Modular 42" Grill, Sink Cabinet, and Argentinian Grill

The Infinite Series 42" Grill features six stainless steel burners that are placed every 5.75" to ensure the most even cooking surface, allowing the grill to heat to temperature within 5 minutes. The modular unit allows you to create a custom outdoor kitchen by adding any modular components, fitting any space or lifestyle.

The Infinite Series modular sink is perfect for hand, produce and/or cutlery washing. It comes with a paper towel holder and a storage cabinet below, adding versatility to your outdoor kitchen.

Our Argentinian Grill completes the power set by bringing centuries-long cooking traditions to your kitchen with open-fire-style grilling that will wow your customers while you create delicious, slow cooked food over wood or charcoal.
